Product parameters

Product parameters

Material of blinds: waterproof PVC wood-like blinds

Mounting mode: Exterior/interior mounting, also support top and side mounting

Applicable scenes: home decoration, screen curtain, hotel, club, net bar, lounge, office, etc.

Pricing mode: The product is priced by square meter. If less than one square meter, it is calculated as one square meter. If over one square meter, it is calculated based on actual square number.

Calculation formula: Total price=Width(m) x Height(m) x Unit price X Quality+Freight charge

Limit of customization: If the width is over 1.8m, it's better to divide it into two parts.

Installation Accessories: screws, setscrews, pelmet, blanking plate, hooks

Internal and external loading confirmation

Before purchase, please make clear the type of window, confirm the installation mode and measure the customized area.

Mounted in the window frame
